

CARABINERS / CONNECTORS

MINI FROG

NEW

MINIATURIZED VERSION

Miniaturized version of the famous FROG connector, it maintains the same opening functions of gates with automatic closure.

Suitable for making leashes, suspension systems of professional cameras, tool lanyards, etc...

Unlike the standard version, the Mini Frog is not a PPE, it is not certified and therefore not suitable for human load.

The Frog family is expanding, soon other big news...

High quality product made in Italy!
