EAN:	4030281293774	Customs no.:	63079098

Data sheet

SLIDING BRIDGE

The flexibly exchangeable SLIDING BRIDGE with two O-rings is designed as a substitute or replacement part for the IGNITE ARB. The threading technique makes it easy to exchange the SLIDING BRIDGE if needed without any additional tools. A dependable wear indicator shows the user when the material has become too thin and needs replacing. The SLIDING BRIDGE is standardly assembled on the IGNITE ARB with only one O-ring. For users who want a second O-ring, this additional item is the suitable choice.

- Exchangeable on the harness without any tools
- With wear indicator
- Two integrated O-rings

FEATURES
